

Online Marketing Trainee (IEFP)

ALTITUDE SOFTWARE

Over 300.000 people in 1100 organizations in 80 Countries worldwide use our “Made in Portugal” software. We are among the top software companies born in Portugal that compete in the global market. We ride each wave of technological innovation to provide our customers with “state of the art” customer interaction solutions.

We have a 24-year track record of researching, developing, selling and supporting sophisticated software products for the global market, with a committed multicultural team in 12 locations across the globe, competing against some of the best software companies in the world.

We offer the opportunity for personal and professional development in a global software company, with headquarters in Portugal, using the latest technologies to address the business needs of leading companies.

At Altitude Software we value empowerment, ideas over hierarchies, and a focus on results. We are looking for bright, self-driven professionals to share our goals, and become part of our team.
